

# Resolution of Acknowledgment Make Education a Priority

*Whereas*, the current Texas public school finance system is negatively affecting an increasing number of public school districts; and

*Whereas*, past diligent legislative efforts to address the state's method of adequately and equitably funding Texas schools has fallen short of broad measured success; and

*Whereas*, the legislative year of 2011 bears the attributes of repeating the 2009 legislative session's lack of reliable funding improvements; it is therefore

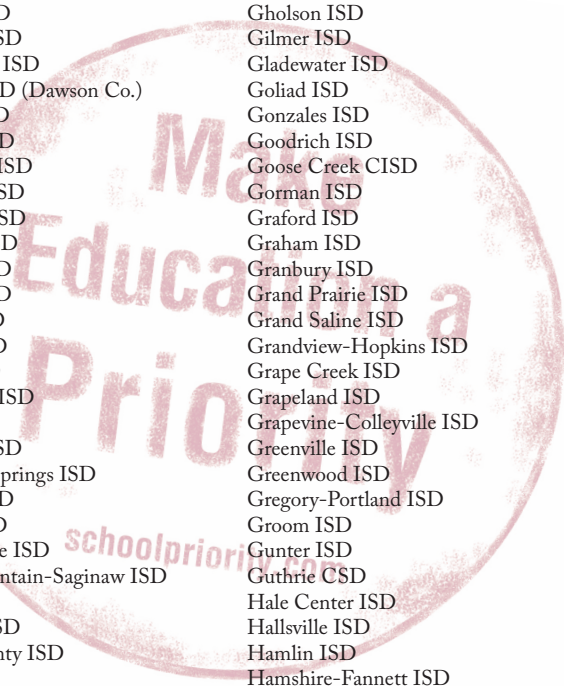

*Resolved*, that a responsible community of educational leaders with a united awareness respectfully empower and support our respected legislative representatives to act; and be it

*Resolved*, that in light of our current Texas economic challenges and the complexity of financing public education; improvements in school funding be established with an attitude where education is found as the highest priority; and be it

*Resolved*, this attitude begins within the leadership of Texas school districts and together, we respectfully share one unified message to all involved: Make Education a Priority.

The Boards of Trustees of the following school districts respectfully acknowledge, applaud, and join the priority efforts to protect the pursuit of quality education for all children.
